

Behti hui main hu nadi
Sagar ki talash hai
Sagar se milwa de
Band ho na jaaye

Hai dil yeh ghayal
Jo bhara hai dard se
Kaisi bebasi

Taare saare chuup gae
Phir chaaya andhera
Tanha phir se reh gaye hum

Kyun ye, hum se..
Teri doori..
Kaha hai woh dil tera
Tha jo kabhi ghar mera
Ghar se kyun beghar..
Kardiya..tune..

Dil kare teri bahon mein
Aake abhi chuup jaaun main
Bheegi teri inn aankho mein
Banke roshni abhi sama jau main

Dodi dodi aau jo pukare pyar se
Par tu hai nahi

Taare saare chuup gae
Phir chaaya andhera
Tanha phir se reh gaye hum

Dil ki, baatein

Kya main..keh doon..

Aati hai tu khwabon mein toh
Samne kyun aati nahi
Ghadi ghadi mujhe
Kyun sataati nahi..

lyrics

Behti hui main hoon nadi
Sagar ki talash hai
Sagar se milwa de
Dard ye judai ka mitta
Aa zara

Phir se woh lamhe
Woh suhaani raat de
De tu hath de.

Taare saare chuup gae
Phir chaaya andhera
Tanha phir se reh gaye hum.
